# **Light Up Drinking Glasses - Great For Medium-Sized Food Shops**

If you should chance to own a family eatery or cafe, you will find these light up drinking glasses a genuine novelty to have. Not merely will your clients be entertained, youngsters will also love them. Why would they be such a success? Here's why.

### Youngsters Will Adore Them

Imagine families who usually come over to your diners for their meals. They might bring their little kids along for a family meal together. How fun would it be when you serve the kids with these [light up drinking glasses](#)? Whatever soda or soft drinks they order would be served to them in these colorful flashing glasses. And you do not have to restrict them to only drinks. Youngsters often love ice cream or sundaes and will certainly enjoy them in these flashing glasses. And the incontrovertible fact that they can be entertained as well while the adults watch in entertainment.

### Adults Aren't Left Out

Now the youngsters are not the only ones who get to have all the thrills. Adults could also have enjoy their alcohol based drinks in [light up glasses](#). Of course if they prefer to have other drinks like margaritas, fizz or wine, you could also serve them in their own flashing glasses to keep these adults entertained. Don't worry as these glasses each have a LED battery pack attached to the base of the glass. In case they lose interest or annoyed with all these colorful lights blinking away, you could always detach them from the glass or have them switched off. No major deal.

### Great For Parties

When not in use, the battery packs can be simply detached from the glasses. This may also help when you want to wash or wash them after use. So do not worry if you have clients who want to book your complete bistro or part of it for a party or celebration. Just whip out these light up drinking glasses to contribute to the fun which everybody will enjoy. Better still if it happens to be an evening party or celebration so you can dim the lights a bit for your clients to enjoy the colorful display of flashing glasses that they can drink from.
